# InTouch-Web *your Alumni portal*

You can create a vibrant and active alumni community controlled by you, that makes your alumni feel part of your organisation, and where you get the benefit from the information held.

Features for Alumni and other interested parties, such as former and current parents, include:
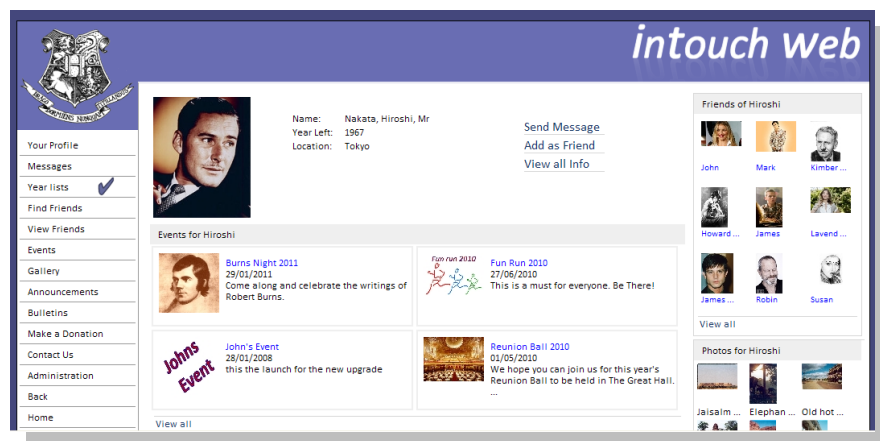

- **Updating** their own details online

- **Sharing information** with yourselves and each other

- **Social Networking** - Invitations to be a Friend, personal messaging between friends

- **Personal Photo Galleries** - allow your alumni to share their photos online

- **Organisation Galleries -** display photos of events and reunions

- **Business Directories** - for your alumni to use one another's services

- **Mentoring** - whereby alumni can volunteer to share their experience with your leavers

- **Lost Alumni** pages - get friends of your lost alumni to encourage them to be found

- **Obituaries -** honour those alumni who are no longer with us

- **Online Donations -** with fundraising pages, highlighting your current projects and campaigns

- **Newsletters** and other information available for download

- **Customise** your portal. Match the look of your school web-site, and choose which information you display where

- **Events -** advertising, viewing and booking online

- **Interest Groups -** allow your alumni to create and run interest groups

- **Bulletin boards -** where your alumni can share their news with the rest of the community

- **Merchandising** – sell that old school tie and other memorabilia

- **Automatic, effortless synchronisation with InTouch**
